

To: Clerk of the Court
Hon. Judge M. Lehtman

From: Michael Fahey, Jr.
Case: 4:21-cr-20184

In RE:

The REASON for this letter is due to the need for a replacement attorney. My current attorney is Charles Grossman and I believe he violated the following rules of the M.R.P.C.:

- 1.1 - Competence
- 1.3 - Diligence
- 3.1 - Meritorious Claims
- 3.2 - Expediting Litigation
- 1.4 - Communication

At one point Mr. Grossman lied to the Magistrate about circumstances that never happened.

Mr. Grossman fails to communicate with me in general.

He blatantly refuses to aid me in the defense of my case. He fails to investigate

my claim about the exact amount of narcotics
the government claims I sold.

As I understand it pursuant to U.S. v.
Cronic, 466 U.S. 648 (1984); Mitchell v. Mason,
325 F.3d 732 (CA 6, 2003), trial counsel's
complete failure to investigate the case and
consult with defendant created a *per se* denial
of counsel. Also, a sound trial strategy is
developed in concert with a reasonable invest-
igation based on professional judgments. *People*
v. Grant, 470 Mich. 477 (2004).

Since Mr. Grossman lied to the Magistrate
and refuses to properly represent me, an
Attorney-Client Relationship breakdown has
transpired. I have no faith or trust in his
(in)effective representation.

Could you please resolve this matter?

Respectfully,

Michael Fuller
